Dear Dr Hooker

I am sorry to say your
evidence upon the way
the fruit want the whole
evidence as soon as possible
I shall have finished
by Wednesday next & then
shall be necessary to make
corrections in proof. & then
I could call & be very thankful

Ever yours

Dear Lamm Kingsley

I am so sorry that
you are so far from your
home that I am so
you will not be pressed
again.

I am better hoping me
here my summons may reach
I shall be in town next
Thursday & any day after

that it will be a great
pleasure to me to come &
dine with you.
I am sorry for poor Labouch
Baker.

Believe me
Dear Lady Huntly
Very Truly
Thine

Dr Li

Some time ago I sent
you a review of Schrijver
true - then of the June
Number. I sent back the proof
for you to pull off it
for I have an application
for the Konversations
